Cris, Matt and David – I just learned that the Quarterly Noncompliance Report that I sent to you last Thursday excludes 18 SNC facilities. Apparently, there is a glitch in the standard report developed by our headquarters office. As an alternative, I'm sending you the QNCR Summary table that lists all California majors, with quarters in SNC highlighted with SNC codes (E, X, D or S) in red font. The attached QNCR Summary table shows 39 major dischargers in SNC during the 2nd quarter of FFY17 (January – March 2017). I'll send you the 3rd quarter QNCR when it's published in a couple of weeks.
